This information is based upon the operator of the franchised store complying with our specifications concerning preparation, supplies, serving size and similar requirements. Some variation is likely to occur from store to store. The tables also assume and incorporate USDA caloric and manufacture data. This nutritional calculated data does not identify allergens for added ingredients.

Our menus vary by location due to, among other things, market tests and local requirements. If you have an allergy concern, please ask a manager at your Great American Cookies to check the ingredient listing for specific menu items. Please note that we cannot guarantee that any of our menu items are free of allergens because we use shared equipment and handle common allergens throughout our manufacturing, supply chain and restaurant.

This information is provided by the FAT Brands Nutritional Database. All information from Coke® is provided by the Coca-Cola Company. For more information regarding ingredients of each product, Visit Contact Us www.greatamericancookies.com. The items may include nut, nut products, tree nuts, milk, egg, soy and wheat and it is impossible to guarantee that any Great American Cookies products will be free of allergens.

MA Notice: Before placing your order, please inform your restaurant if you or a person in your party has a food allergy.

Canada Notice: Many of our products also contain or may come into contact with common allergens, including sesame, sulfites, and mustard.
